אני מברך על יוזמת חברי הכנסת רם בן ברק ודני דנון על הגירה מרצון של ערביי עזה למדינות העולם. זה הפתרון ההומניטרי הנכון לתושבי עזה ולאזור כולו לאחר 75 שנות פליטות, עוני ומסכנות. מרבית אוכלוסיית עזה היא דור רביעי וחמישי לפליטי 48, שבמקום להיות משוקמים כבר מזמן על בסיס אישי ואנושי כמו מאות מיליוני פליטים בכל העולם, הוחזקו כבני ערובה בעזיבה ובצפיפות והיוו סמל לשאיפת השמדתה של מדינת ישראל וחזרת הפליטים ליפו, חיפה, עכו וטבריה. זו גם הסיבה לשנאה העזה שעל ברכיה גדלה ומתחנכת אוכלוסיית עזה למדינת ישראל וליהודים, שנאה שרק היא יכולה להסביר את אכזריות הטבח הנורא שביצע חמאס-דעאש באזרחי ישראל, משל היתה מדינת ישראל

1. Annexing areas C is a must thing, because if not, everything that happened to us in the Gaza Envelope will happen in Kfar Saba, Herzliya, Ra'anana and more. It's only a matter of time.
2. Annexing the northern part of the Gaza Strip is a must, because if not the residents of the Gaza Envelope are once again an existential danger.
3. We lost sight of the security situation since we started calling the Jewish *mityashvim* settlers [*hityashvut* - the historic Zionist terminology], since we started calling the pioneers *Hilltop Youth*. It is important to note that the value of the land is not only biblical but gives us a geopolitical depth and a grip on the territory that allows us to guarantee our right to exist. Today, together with the Shevast Police Commissioner, I visited the wings where the Nazi Nohva prisoners are kept.

In accordance with our instructions, the terrorists receive the most stringent conditions: eight handcuffed terrorists in a dark cell, iron beds, toilets in a hole in the floor and the anthem of hope constantly playing in the background. I hope that my request to hold a discussion in the cabinet about the death penalty law for terrorists that we have already passed in preliminary reading will be answered, that the law will be promoted and we can apply it to these vile murderers.
